Useful information:

- The **Family Pass** is exclusive to those who travel with children and are guests of facilities that are members of the **Family Club Friuli Venezia Giulia**.
- The benefits offered cannot be combined with other current promotions or with the **FVGCARD**.
- To take advantage of the benefits, you must present the **Family Pass** at participating facilities, where its validity will be verified by scanning the QR Code or reading the serial number.
- You are advised to check on “benefits” which affiliated facilities may require the delivery of the paper voucher.
- Some facilities may not be operational during the validity period of the pass. Therefore, it is recommended to book activities in advance with the service providers.
- A valid **medical certificate** is required to participate in sports activities, where applicable.
- Unless otherwise indicated, the activities listed refer to **group classes or courses**.
- Schedules and calendars of activities may be subject to change depending on weather conditions.

PromoTurismoFVG is not responsible for any inaccuracies, omissions or incorrect information provided by operators or contained in the Family Pass guide, resulting from their failure to verify data.
