ITALY

TRAVEL  TASTE

*2East Italy,  
a selection of local companies that believe in the territory.  
Friuli Venezia Giulia is a small, little-known region a  
stone's throw from Venice, which stretches from the Alps  
to the Adriatic Sea, with rolling hills covered by vineyards  
and small villages rich in history and art.  
Discover the hospitality of the people, try the genuine  
flavors of the table and feed on culture and traditions:  
here is 2East Italy - travel & taste in Friuli Venezia Giulia  
and in the nearby Veneto with us.*

## IN THE HEART OF FRIULI

3 day trip

### IN THE HEART OF FRIULI

*Three days immersed  
in the ancient history of this land,  
in its proud spirit,  
enjoying its nectar through hamlets made of towers  
and ancient castles.*

1. Roman Aquileia and Grado, a sea village.
2. Udine, the Venetian salon; Cividale del Friuli, the Lombard kingdom; and the strong perfume of the Collio wines.
3. Spilimbergo with its painted palaces and the medieval town of Valvasone with its Grave wines "of character".

## THE FRIULI WITH A VENETO ACCENT

3 day trip

### THE FRIULI WITH A VENETO ACCENT

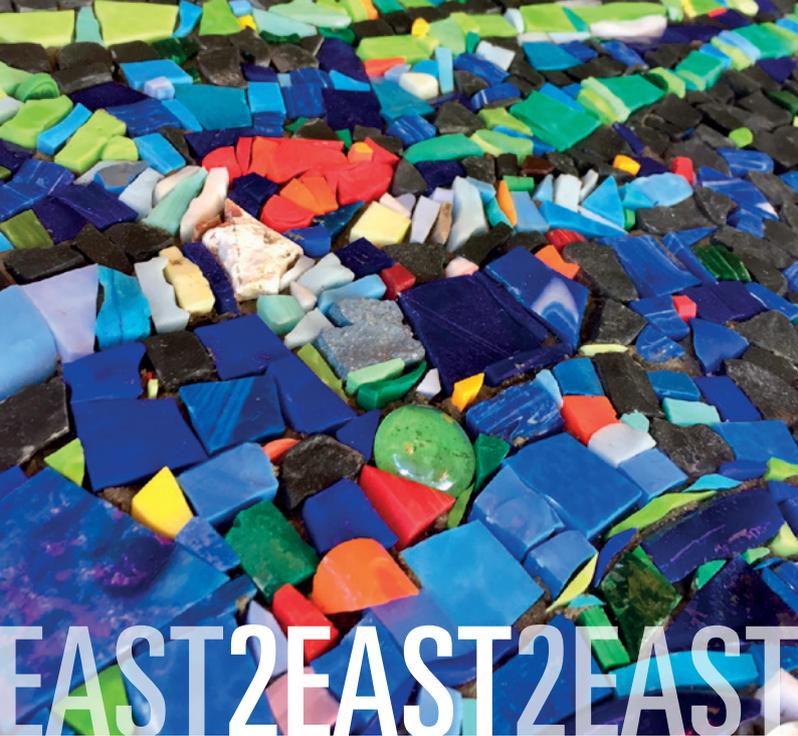

*Three days in places that are mirrored:  
in sea and land,  
in Veneto and Friuli,  
in the Middle Ages and modern times.*

1. Sacile, the little Venice on the Livenza river and Polcenigo, a magical experience of land and water.
2. Pordenone, with its elegant arcades, Portogruaro the "pearl of the Lemene river" and Caorle, a multicolored fishing port.
3. The Benedictine Abbey of Sesto al Reghena, Cordovado with its "Medieval atmosphere" and its sturdy vines of the Magredi, Friuli's poor meadows.

## FLAVORS AND PERFUMES OF A MIDDLE LAND

4 day trip

### FLAVORS AND PERFUMES OF A MIDDLE LAND

*Four days enjoying:*

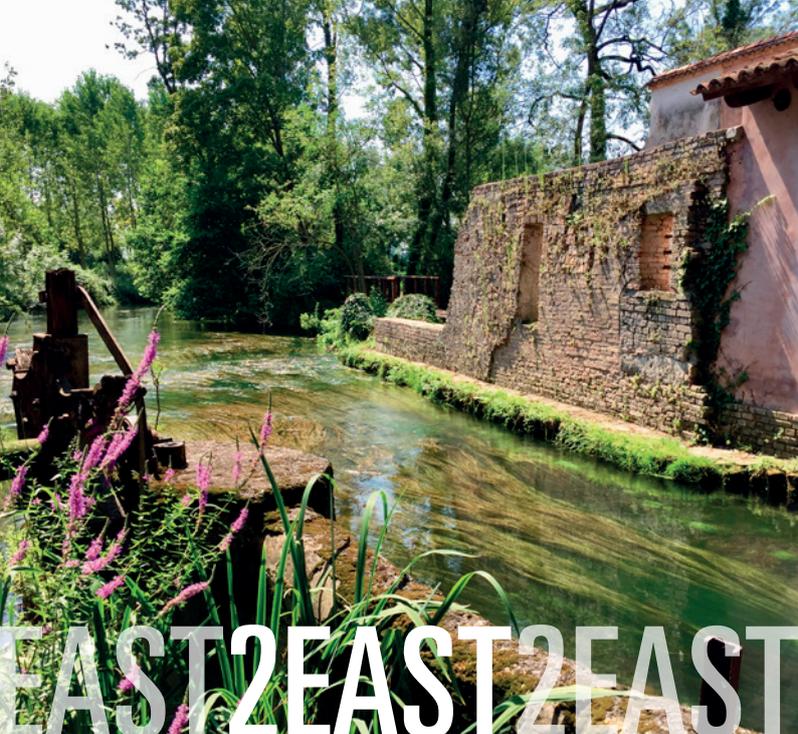

*the flavors of two cultures that mirror each other,  
the colors of a tamed and respected nature,  
the expressions of Byzantium and Renaissance art.*

1. The tiny and silent hamlet Malanotte and the refined center of Conegliano, located on hills.
2. Colli Orientali, the eastern hills: their wines, the Abbey of Rosazzo, Cividale and the Sanctuary of Castelmonte.
3. Trieste, its "aroma of coffee", the flavors of the Carso and the panoramic Duino Castle overlooking the gulf.
4. Spilimbergo, the art of mosaic and the traditional dried salt cod.

## WORKS OF ART TELLING HISTORY

4 day trip

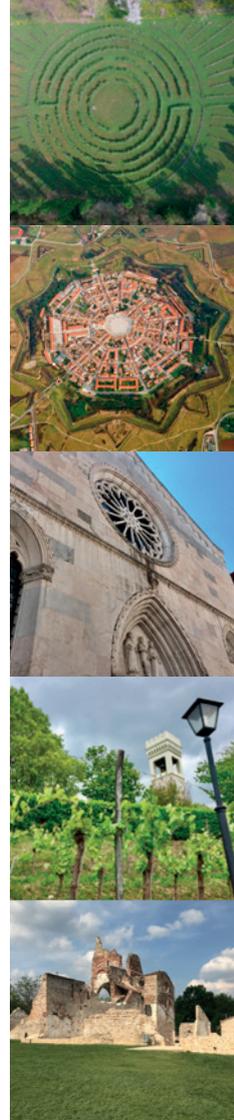

### WORKS OF ART TELLING HISTORY

*Four days to let yourself be amazed by:  
the buildings marking the landscape,  
the awakening of "sleeping" forms,  
the history built on stones and bricks,  
intellect and hard work.*

1. Sesto al Reghena with its fortified abbey and Cordovado, built on an ancient roman castrum.
2. Aquileia and Palmanova: the shape that arose from earth and intelligence.
3. Venzone, the small village master of reconstruction; the unmistakable flavor of San Daniele and the ruins of the Castle of Fagagna.
4. The Abbey of Nervesa, a place of history and legend at the foot of the Montello hill.

## COLORS AND SOUNDS ON PEAKS AND SEA

5 day trip

## COLORS AND SOUNDS ON PEAKS AND SEA

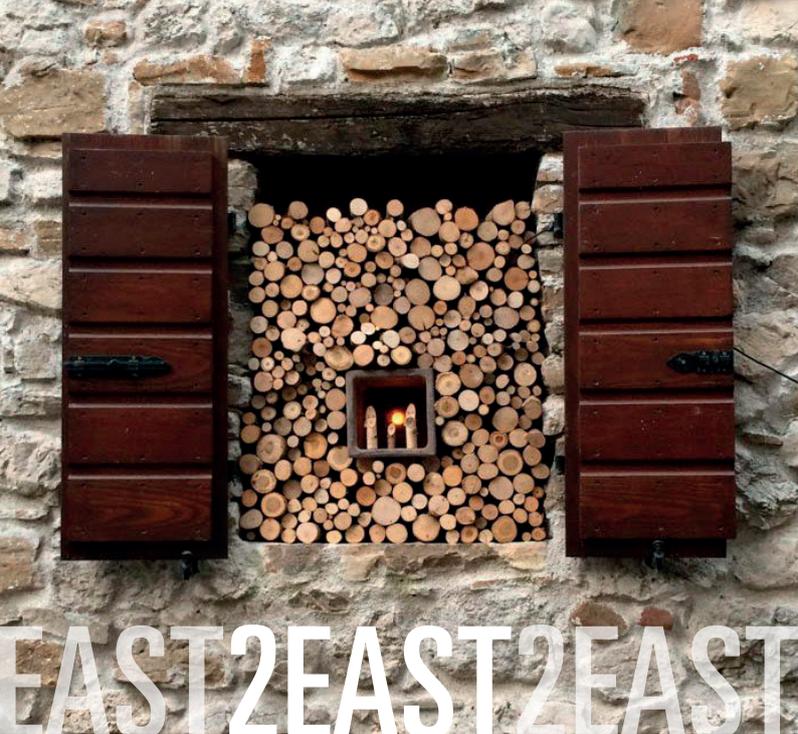

*Five days to fall in love with our sceneries:  
among flavors of land and sea,  
water landscapes and majestic mountains,  
in the arms of a harsh and sullen nature,  
among humble and strong architectures.*

1. The inspiring Caglieron caves and the charming water mill of Molinetto della Croda.
2. Postcard-like images: Mount Lussari, Malborghetto and the Lakes of Fusine.
3. Cona island, wild nature and the sailing experience in the Marano lagoon.
4. Some characteristic hamlets of Carnia: Pesariis, Sutrio, the Polse di Cougnes and the Pieve di Zuglio.
5. The evocative power of water among the sources of the Livenza river, Polcenigo and the Gorgazzo spring.

## THE STRENGTH OF A DISCREET CULTURE

*Five days to know:*

*the genius of ancient places,  
the intelligence of tenacious men,  
the art and taste of a borderland.*

1. The elegant "salon" of Serravalle and the Cistercian Abbey of Follina.
2. Traditional crafts: scarpets (fabric slippers) in Poffabro, knives in Maniago and mosaics in Spilimbergo.
3. Gorizia, San Floriano and San Martino, with a tasting of the Collio wines.
4. Illegio, an unexpected center of culture and Sauris, a small corner of peace.
5. San Vito al Tagliamento, a small town between the two towers, the "fearless" wines of the Magredi and the Friulian grappa made "as in the old days"!

## VENETO AND FRIULI, A CREATIVE CONTAMINATION

7 day trip

## VENETO AND FRIULI, A CREATIVE CONTAMINATION

*Seven days to live:*

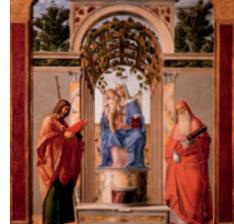

*the dialog between Medieval and Renaissance art,  
magnificent sacred architectures and mighty civil buildings,  
constructions designed for war and environments of peace,  
local tastes and Nordic influences.*

1. Conegliano with his master, the painter Cima, and the enchanting Cison di Valmarino.
2. The pictorial art in the Pordenone area: Pordenone, Spilimbergo and Valvasone, with an excellent organic farm.
3. Treviso, a town of tradition and worldliness, and the Palladian Villa Emo.
4. Tiepolo in Udine and the secret tunnels of Palmanova.
5. The pearls of nearby Veneto: Serravalle, San Pietro di Feletto, the water mill of Molinetto della Croda and the Abbey of Follina.
6. The colors of Aquileia's mosaics and the deep blue of Grado's sea.
7. Multi-faith Trieste and the hill of San Giusto.
